Alert: Vanderbilt Health employees should not attempt to access Vanderbilt University's IT resources until further notice

Vanderbilt Health (VH) is aware of a possible incident involving Vanderbilt University's IT systems. VH employees should not attempt to utilize or log into Vanderbilt University's IT resources until further notice.

Vanderbilt Health is aware of a possible incident involving Vanderbilt University's computer systems. **Vanderbilt Health employees should not attempt to utilize or log into Vanderbilt University's IT resources until further notice.**

In addition, employees should **not connect any removable media, including USB drives, laptops, or external storage devices, to Vanderbilt University systems.**

Vanderbilt Health is taking the necessary precautions to ensure the

security of our IT systems which so far have not been impacted. However, we are continuing to monitor the University's situation closely.

The safety of our patients is our top priority and patient care is continuing at all our hospital and clinical locations. We are proceeding with the utmost care and diligence.
